TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hinsdale qualified to vote in town affairs:

You are hereby notified to meet at Town Hall, on Tuesday, the 9th day of March, 1937, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose a Town Clerk for the ensuing year.

Article 2. To see if the town will vote to accept and adopt the report of the Selectmen, Auditors and other town officers.

Article 3. To choose a member of the Board of Selectmen for the ensuing three years.

Article 4. To choose a member of the Board of Library Trustees for the ensuing three years.

Article 5. To choose five members of the Budget Committee for the ensuing year.

Article 6. To choose a member of the Water and Sewer Commission for the ensuing three years.

Article 7. To choose all other necessary town officers and agents for the ensuing year.

Article 8. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for support of the poor, for maintenance of the fire department, for lighting the streets and for all other necessary expenses arising within the town.

Article 9. To see if the town will vote to accept, as a free gift from Walter L. Todd, the deeds of one hundred seventy-six acres of timber land on the Kilburn pond watershed. Said land to be kept by the Town of Hinsdale as a protection for its water supply.

Article 10. To see what amount of money the town will vote for compensation for the Board of Water and Sewer Commissioners, or act in any manner thereon.

Article 11. To see if the town will vote to raise and appropriate the sum of Twelve hundred dollars ($1,200.00) for the purpose of graveling, tarring and providing suitable drainage on River Street from Main Street to a point beyond the residence of Glen Higgins.

Article 12. To see if the town will vote to raise and appropriate the sum of Two thousand dollars ($2,000.00) for the purpose of graveling, tarring and providing suitable drainage on Plain Road or act in any manner thereon.

Article 13. To see if the town will vote to raise and appropriate the sum of One hundred fifty dollars ($150.00) for the purpose of resurfacing and oiling Hancock Street or act in any manner thereon.

Article 14. To see if the town will vote to raise and appropriate the sum of Five hundred twenty-five dollars ($525.00) to drain and surface Creampot Hill Road or act in any manner thereon.

Article 15. To see if the town will accept state aid for construction of Class 2 road known as Chesterfield Road on Bear Mountain and raise and appropriate or set aside for said purpose the sum of $1,860.75 to which the State will add an equal amount; or will accept state aid for construction of Class 5 roads and appropriate or set aside for said purpose the sum of $388.70 to which the State will add the sum of $1,554.81.

Article 16. To see if the town will vote to authorize the Selectmen to borrow on the credit of the town a sum not to exceed Fifteen hundred dollars ($1,500.00) for the town's share in any work project that may be available from the State, or act in any manner thereon.

Article 17. To see if the town will vote to use the unexpended balance of P. W. A. project No. 4407 funds to retire water system bonds.

Article 18. To see if the town will vote to authorize the Selectmen to purchase land for a public dump or act in any manner thereon.

Article 19. To see if the town will vote to pay W. G. Smith the sum of Fifty dollars ($50.00) for a dumping place for one year or act in any manner thereon.

Article 20. To see if the town will vote to raise and appropriate Six thousand dollars ($6,000.00) to purchase pumper and equipment for the Fire Department or act in any manner thereon.

Article 21. To see if the town will vote to place and maintain a street light at the junction of Brattleboro Road and Plain Road at the Monument or act in any manner thereon.

Article 22. Is it expedient to revise the constitution?

Article 23. To transact any other business that may legally come before said meeting.

Given under our hands and seal, in said Hinsdale, this nineteenth day of February, 1937.

EZRA B. PIKE,
PRENTISS W. TAYLOR,
CLIFFORD D. STEARNS,
Selectmen of Hinsdale.

A true copy, attest:

EZRA B. PIKE,
PRENTISS W. TAYLOR,
CLIFFORD D. STEARNS,
Selectmen of Hinsdale.

HAROLD S. GARFIELD,
HOWARD I. STREETER,
ROBERT A. WEEKS,
Water Commissioners.

SUPERINTENDENT'S REPORT OF THE WATER AND SEWER WORKS

To the Water and Sewer Works Commissioners and citizens of Hinsdale:

I herewith submit the following report.

The State Board of Health makes regular tests of the water at various places in town to insure it's purity. We are getting very good reports from them.

The quantity of water used for the months of July and August were 1.762,800 gallons for July and 1,830,300 gallons for August. With this large amount used Kilburn's reservoir only dropped 12 inches at the crest of the dam at any time last summer.

We had considerable flood damage at the purification plant. Our W. P. A. project built a retainer wall and dug out the brook below the plant and improved the grounds around the building.

At present time there are about 228 customers using town water.

Property owners wishing to connect with the water or sewer or both, must notify the superintendent in order that he may inspect the connections before they are covered.

Please note public laws below which may be acted upon this summer.

Public Laws of New Hampshire — 1926
Chapter 140

Sec. 8 Privies; Drains. No person shall occupy, lease to any other person, or permit any other person to occupy, a building or any part of a building within the compact part of

a city or town as a dwelling house, office, store, shop, theatre, public hall or sleeping apartment, unless such building shall be provided with suitable privies and vaults properly ventilated and constructed, and kept in proper sanitary condition; and, in case of occupancy as a dwelling-house, unless it shall be provided suitable drains or sewers for conveying the sink-water away from the premises into some public sewer, if there be one within **One Hundred Feet** thereof, and if not, for conveying it away underground or in some other way that will not be offensive. The phrase public sewer, as used in this chapter, shall be understood to mean any sewer constructed and maintained by taxation, or any sewer which is open for general use upon the payment of a rental, license or other fee.

Sec. 9 Penalty. Any person neglecting or refusing to comply with the provisions of the preceding section shall be fined not more than **Ten Dollars** for each day of neglect or refusal, after notice as provided in section 4.

Sec. 10 Nuisance; When. No house of easement or privy, and no pen or sty for swine, shall be erected or continued in such place or condition as, in the judgment of the health officers, to be a nuisance or injurious to the public health.

Sec. 11 Discontinuance; Penalty. The health officers, by notice in writing, order the discontinuance of any nuisance; and may order that a privy located within one hundred feet of a public sewer shall be connected therewith. **In cities or towns having a water and sewerage system the health officers may by like notice order the discontinuance of any privy or vault located on premises within One Hundred Feet of a public sewer, and the establishment of a water or flushing closet connected with such sewer.** If any person shall continue the nuisance after such order from the health officers, or shall neglect to comply with an order made under the provisions of this section, he shall be fined not more than **Ten Dollars** for each day of such continuance or neglect.

In closing my report I want to thank the citizens, commissioners and selectmen for their co-operation in the past year. Also the public is cordially invited to inspect the purification plant at any time I am there.

Respectfully submitted,
CHARLES W. HARRIS, Supt.

Office open every Monday night, 7 to 9.

HINSDALE FIRE DEPARTMENT

Report of Engineers

The Board of Engineers submit the following report.

There have been eleven general alarms for fire and one alarm at the time of the March flood.

January 4, 1936, Rolph White's house.
January 28, 1936, Mrs. Lena Walker's house.
February 9, 1936, Mrs. Agnes Golden's house.
March 20, 1936, D. M. Meany's house.
June 15, 1936, John Mitzkowa's house and barn.
July 9, 1936, Steve Cochan, barn.
August 4, 1936, White and Washburn.
September 7, 1936, Rolph White's house.
October 31, 1936, Mrs. May Dickerman's house.
November 18, 1936, Jim Anderson's house.
November 28, 1936, W. L. Todd's tenement house.

There were 29 calls for chimney fires.

We recommend a new apparatus as asked for in the Warrant.

Respectfully submitted,
CLARENCE D. FAY, Chief.

H. J. Delphy, 1st Ass't Engineer.
R. L. Howe, 2nd Ass't Engineer.
F. J. Young, 3rd Ass't Engineer.
F. L. Walker, 4th Ass't Engineer.

Treasurer's Report

Yearly salaries,	$440 00	
Extra time,	405 50	
	$845 50	
Received from town treasurer,		$845 50

Respectfully submitted,
J. P. McCAUGHERN,
Treasurer.

Audited Jan. 2, 1937.

H. R. WEEKS.

HINSDALE BRANCH A. R. C.

Report of the Chairman of the Nursing Committee.

After reading the report of the nurse, Miss Eva M. Fortier, and the treasurer, George E. Robertson, there is not much more to be said.

We are very much pleased with the roll-call of 1937.

Members, 108.

School membership gave us $6.11.

Gifts, $5.00.

The nurse with the assistance of Miss Mabel E. Temple, principal of the Depot Street School has been serving milk to the children of the lower grades.

A class for Home Hygiene and Care of the Sick commenced in January at the High School.

The Red Cross room has been recently newly decorated. We would be pleased to have it inspected at any time.

We thank all who assisted in the recent Flood Relief in helping "go over the top" in our quota. Nearly $400.00 was sent to Keene.

Respectfully submitted,
EVA N. FAY.

JESSE W. FIELD,
Chairman of Hinsdale Branch A. R. C.

AMERICAN RED CROSS NURSING SERVICE
Hinsdale, New Hampshire

Visits to Patients in the Year 1936

Maternity and new born,	335
Deliveries,	19
Infants, pre-school and school,	315
Non-communicable disease,	1,163
Communicable disease,	11
Social,	78
Total,	1,921
Nursing service hours,	1,555
Schools, hours,	90
Office, hours,	195
Travel, hours,	225
Dental clinic,	62
First aid class,	7
Flood refugees,	22
Total,	2,156

Six children were operated on for Tonsillectomy.

Dr. J. H. Grimes of Hillsboro, N. H., had a Dental Clinic in the Red Cross Office with 228 operations done on school children's teeth.

I gave five lessons on First Aid to the Girl Reserves.

I attended Home Hygiene and Cure of the Sick Institute in Keene, N. H., given by Mrs. C. Heilman of Washington, D. C.

I wrote and put on a Health Play in the Grange hall.

The time spent during the memorable March flood of 1936 can not be estimated in hours. I was in daily communication with Miss Myrtle Flanders of Concord, N. H., Red Cross Executive State Supervisor. We organized and put in action all available men through Mr. J. W. Field's efficient management. The selectmen, lodges, firemen, and auxiliaries helped. Our losses and discomforts were very small.

Mr. Field and I visited every house in the flooded area. We warned and advised them in regard to moving and care of their household goods, etc., moving them to higher ground during the serious time. We supervised the amount of food needed for the townspeople and those working at the dam, delivering food to "refugees," spending hours with State Welfare Workers, buying household supplies, hours spent looking for living quarters, consulting with our alert and capable health officer about sanitation, cleaning, burning rubbish and keeping a daily vigilance on health conditions.

To my knowledge we have not had one case of sickness or disease due to the flood, which proves that our efforts have not been in vain. Once our citizens are aware of a serious situation they prove active and co-operative.

I wish to thank the doctors, superintendent of schools, teachers and the citizens of the town for their continued co-operation.

Respectfully submitted,
EVA M. FORTIER, R. N.

LIBRARY REPORT

Hours open per week,	22
Total circulation,	25,132
Adult fiction,	14,132
Adult non-fiction,	2,154
Juvenile fiction,	4,058
Juvenile non-fiction,	2,577
Magazines,	2,211
Average daily,	81
Percent of fiction,	72
Volumes purchased,	454

There has been a drop in circulation this year but we are still over that of 1929 which is considered a standard in most libraries. Sharp increases have marked the years of the depression from 1929 to 1934, when the peak was reached in this library.

Over $200.00 was received from the rental collection which helps balance the loss in income from the trust funds. However this money must be spent for fiction, thereby limiting the purchase of children's books and non-fiction.

Book Week was celebrated by entertaining the second grade in the library. Stories were told, new books shown and refreshments served.

We are grateful to those who have been so kind in sending flowers to the library and many have expressed their appreciation in enjoying the almost continuous supply.

We have had bound a complete set of Town Reports from 1868 to the present year. The library would be happy to receive any copies older than 1890 in order to have a duplicate collection.

The library has needed a complete inventory for over 15 years and the walls have needed washing or painting for almost the same length of time.

LUELLA M. C. STREETER,
Librarian.
DORIS M. GARFIELD,
ERNEST E. ADAMS,
IDA M. WATSON,
Members of Library Committee.

ANNUAL REPORT

OF THE

SCHOOL BOARD

OF

Hinsdale School District

FOR

FISCAL YEAR

JULY 1, 1935—JUNE 30, 1936

REPORT OF P.-T. A.

To the Citizens of Hinsdale:

The Parent-Teacher Association was re-organized last Fall and has held regular monthly meetings since that time.

Among the problems which have been discussed at these meetings, has been the Bridge Street School situation and the lack of recreational facilities for the High School.

The Association felt that these two conditions warranted attention at this time, and in view of that, a committee was appointed to investigate same. After several meetings of the Committee, a special meeting of the Association was held on February 16th and it was voted, at that time, to see if the Board of Education would insert an article in the school warrant asking for an appropriation not to exceed $65,000, to be used in constructing a new High School building with auditorium and gymnasium, and in remodeling the present High School building for an elementary school, in the event that a federal grant is obtained from the Government.

The Parent-Teacher Association feels that the people of Hinsdale have recognized the need, for some time, for a new High School building with auditorium and gymnasium and have felt the dire need of a change in conditions at the Bridge Street School.

With this need recognized, can the town afford not to meet an outright grant from the Government, when the appropriation asked for will raise our taxes not over fifteen cents per hundred and thereby relieve the existing conditions of our schools?

Respectfully submitted,

MRS. FRED A. NEES,

President—P. T. A.

STATE OF NEW HAMPSHIRE
SCHOOL WARRANT

To the inhabitants of the School District in the town of Hinsdale qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the thirteenth day of March 1937, at 3 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.

2. To choose a Clerk for the ensuing year.

3. To choose a member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.

7. To see if the District will vote to make any alterations in the report of the School Board recommending the amount of money required for the support of schools and payment of statutory obligations.

8. (a) To see if the District will vote to construct a new high school building, to remodel the present high school building into an elementary school, to purchase the necessary equipment and to acquire any necessary property therefor.

(b) To see if the District will vote to authorize the School Board to execute any and all contracts or agreements necessary, proper or advisable in connection with the construction of a new high school building, the remodelling of the present high school building into an elementary school, the purchase of the necessary equipment and the acquisition of any necessary property therefor.

(c) To see if the District will vote to raise and appropriate the sum not to exceed Sixty-five Thousand Dollars ($65,000) and in order to furnish such funds to authorize the School Board to issue bonds for said amount payable exclusively from funds to be raised by taxation for the purpose of financing the cost of the construction of a new high school building and the remodelling of the present high school building into an elementary school, the purchase of the necessary equipment and the acquisition of any necessary property therefor and all other expenses necessary or incidental thereto.

(d) To see if the District will vote to authorize the School Board to make application to the Federal Emergency Administration of Public Works or any other agency of the United States, for a grant in addition to the amount raised by taxation to be applied to aid in financing the cost of construction of a new high school building, the remodelling of the present high school building into an elementary school, the purchase of the necessary equipment and the acquisition of any necessary property therefor, located in the Hinsdale School District, Cheshire County, New Hampshire, and to ratify all action hertofore taken by the School Board.

(e) To see if the District will vote to authorize the School Board to accept any and all offers made by the Federal Emergency Administration of Public Works or any other agency of the United States to execute and deliver in the name of and on behalf of the Hinsdale School District any and all contracts, agreements or documents necessary, proper or advis-

able for the purpose of obtaining a grant from the Federal Emergency Administration of Public Works or any other agency of the United States.

Given under our hands at said Hinsdale, this first day of February, 1937.

CLARENCE B. O'NEAL,
DORA E. SMITH
H. R. WEEKS,
School Board.

A true copy of warrant—Attest:

CLARENCE B. O'NEAL,
DORA E. SMITH
H. R. WEEKS,
School Board.

Grade IX,	3
Total,	9

Left School Since Freshman Year

Grade XIII,	5
Grade XI,	16
Grade X,	6
Grade IX,	3
Total.	30

Approximately 1-3 of our high school pupils are discarding their school opportunity according to these figures. In most instances these people that drop out do so because of lack of courses of interest to them. A Scientific vocational course, offering four years of mathematics, Biology, physics, mechanical drawing and shop work, would help to hold this potential labor back until it was ready to take a job and keep these people from hanging around the streets with nothing to do.

These figures are particularly interesting if we find what happens after leaving school:

One is on probation from Juvenile Court sentence.

Three are working in town on low pay labor jobs.

Five are drifting around on the streets and living at home.

The school could not offer enough to keep these people any longer. Parents can help this situation by demanding better school plant which will offer a complete line of courses to young people disinterested in classics and commerce.

The efforts of the Parent-Teacher Association to help for a better understanding between the problems of the school and the home are greatly to the advantage of both groups and to the common good of the children. The co-operation of the complete administrative and executive groups of the school system has greatly aided the work of the school.

It is merely a matter of time until some child is injured on the highway in front of the high school building—a concentration of from 25 to 150 pupils in front of the building must force them into the road. This is one of the greatest arguments for having a school plant off the main highway. An old school plant like an old automobile needs to be turned in when it can no longer carry the traffic.

Respectfully submitted,

CLEON B. JOHNSON,

Headmaster.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale:

I have the honor to submit, herewith, my twelfth annual report.

Buildings and Grounds: At the high school, only necessary repairs were made following the fire of November 11, 1935. Last summer the whole interior was refinished; walls and ceilings were washed and painted; floors were refinished and all sheathing washed and varnished. In the early fall a Timken oil burner was installed and it seems to be working out satisfactorily. The heat is more evenly distributed throughout the building and much dirt and dust from soft coal and ashes is thus eliminated. The Commercial Department was so overcrowded at the opening of school that the School Board decided to enlarge the room by moving a partition thus getting more room from the manual training shop. This building now is in excellent condition except the toilets and provision should be made for new lighting and plumbing fixtures if this building is to be used much longer.

At the Bridge Street School, three rooms and the halls were refinished which seemed to brighten up the whole interior. The rural schools were thoroughly cleaned and necessary minor repairs made to both.

There is some discussion again relative to the need of a new school building or buildings. My personal feeling is that your children in the Bridge Street building need and deserve a better school home. May I urge upon you the careful consideration of this matter.

Teachers and Pupils: Two changes are to be noted in the teaching staff. Miss Doris Foxlow, who had taught the fourth grade for two years, resigned to accept a more lucrative position in Keene. Miss Margaret Colby of Littleton, New Hamp-

shire, a graduate of Plymouth Normal School, 1931, was elected to fill the vacancy. At the High School, Miss Fuller who had served us long and successfully as teacher of English and Music resigned. Her successor is Miss Edith I. Petrie of Danvers, Massachusetts, a graduate of the University of Vermont in 1936.

The mortality at the High School is a bit disturbing. It may be partly accounted for by some students finding work that seems more attractive. But in part, I am sure, it is due to the fact that we need to offer boys a little wider choice of curricula. I believe we should offer them some sort of a vocational curriculum in addition to those now open to them.

Early in the year, the Parent Teacher Association was revived with the following officers:

President, Mrs. Fred Nees
Vice-President, Miss Dorothy Ephlin
Secretary, Miss Isabel Briziski
Treasurer, Mrs. William R. Powers

This shows a renewed interest on the part of the parents and any movement that tends to bring the home and school closer together in order to serve the children better is encouraging. I sincerely hope that more parents will identify themselves with this organization.

The schools were given an opportunity (but not urged) to contribute to the urgent request of the American Red Cross for funds needed for relief in the flood disaster along the Ohio River. I am happy to report that a total of $31.11 was turned over to the local Red Cross.

For the cooperation that has been accorded me by the School Board, parents, teachers, and pupils, I am indeed grateful.

Sincerely yours,
WESLEY H. DOUGLASS,
Superintendent of Schools.

February 8, 1937, Winchester, N. H.

I hereby certify that the foregoing transcript of births, marriages and deaths is correct according to the best of my knowledge and belief.

FRED W. COLTON,
Town Clerk.

The public school is the positive and definite measure of a community's awareness of parental and civic responsibility and obligation. Let us build for our children school homes that are clean and safe, symbols of our hopes for them and our faith in the future of the community. The investment made in school buildings is returned many fold in human dividends, for the personality of children reflects the refinement with which it is surrounded. The school lifts the level of mankind's ideals through the wholesome physical environment it provides as well as through its rich intellectual and spiritual life. Fortunate is the child who can have daily contact with good taste in his school home. Order, quiet, beauty, good equipment, play space, work rooms, gardens, safety, fresh air, abundant light, and cleanliness are as important for the school home as for the parental home. The beauty of the modern school is not achieved by extravagant ornamentation. Careful planning may produce architectural balance, grace and symmetry in outline, harmony in color, strength and dignity of material with an economy that is consistent with the ideals of thrift and simplicity of living which it is the purpose of education to instill.

JOY ELMER MORGAN
